

Class 1

English

Can you practise some personification and write some sentences, using objects from around your house as inspiration?

You can remind yourself about personification here:

<https://www.bbc.co.uk/bitesize/topics/zfkk7ty/articles/zw9p8mn>

Maths

See if you can measure the mass of some objects using some scales. Can you predict what the mass might be? Can you find other items or objects that are lighter or heavier?

Can you do some other measuring, perhaps measure heights and find other items which are taller or shorter?

You could record your findings in a table.

You can find out more about measures here:

<https://www.bbc.co.uk/teach/class-clips-video/maths-ks1-measurements-titch-and-ted-do-maths-part-four/zhqrkmm>

You could even do some measuring as part of a recipe to make a meal or do some baking!

PE

What can you do to be active today? Can you go to the park?
Go for a walk or bike ride? Do some Cosmic Yoga?

Don't forget to add it to our active log when you come back
tomorrow!

Art

There are some Coronation colouring sheets and activities
that are free to download here:

<https://www.bakerross.co.uk/craft-ideas/category/kings-coronation-occasion-printables>
