

Thursday 27th April – Home Learning

In science we have been learning about the skeleton and learning the names of the bones. We have discovered which bones are next to each other and learned their scientific names. For you home learning task, I would like you to create your own model/drawing/presentation/poster showing the different names for bones in the body.

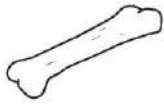

These videos may help you;

https://www.youtube.com/watch?v=Sk_q_ShHDBM

<https://www.youtube.com/watch?v=ywDOiNEdJVc>

Here are some examples of what you could create;
