

Hi Class 2,

I hope you're all keeping up with your SPaG learning and developing your knowledge and understanding. If you are a bit behind don't worry, you can go back and re-do any Steps you're unsure about or haven't done yet until you've caught up to where you should be. Everything you should have done since school closed is saved on the [Class 2 Archived Distance Learning](#) page of the school website and is shown with **black text** on this guidance document. Your next learning for this week can be found on the [Class 2 Distance Learning This Week](#) page of the school website and is shown with **purple text** on this guidance document. If you have any problems or questions please email primary@calderlearningtrust.com

Year 3 have been learning about prepositions so on the archived learning page you should be able to find:

- Step 1 Powerpoint – What is a Preposition?
- Step 1 Varied Fluency Worksheet
- Step 1 Application and Reasoning Worksheet
- Step 2 Powerpoint – Prepositional Phrases
- Step 2 Varied Fluency Worksheet (matches powerpoint slides 6 to 13 so work through these first then complete the worksheet)
- Step 2 Application and Reasoning Worksheet (matches powerpoint slides 14 to 20 so work through these first then complete the worksheet)
- Step 3 Powerpoint – Using Prepositions to Express Time (there's a quick introductory task on slide 5 with the answers on slide 6 before you start properly on slide 7)
- Step 3 Varied Fluency Worksheet (matches powerpoint slides 7 to 14 so work through these first then complete the worksheet)
- Step 3 Application and Reasoning Worksheet (matches powerpoint slides 15 to 22 so work through these first then complete the worksheet)
- Step 4 Powerpoint – Using Prepositions to Express Place (there's a quick introductory task on slide 5 with the answers on slide 6 before you start properly on slide 7)
- Step 4 Varied Fluency Worksheet (matches powerpoint slides 7 to 14 so work through these first then complete the worksheet)
- Step 4 Application and Reasoning Worksheet (matches powerpoint slides 15 to 21 so work through these first then complete the worksheet)

You're now ready for Step 5 'Using Prepositions to Express Cause' and you should be able to find everything you need on the Class 2 Distance Learning This Week page of the school website

- Step 5 Powerpoint – Using Prepositions to Express Cause (there's a quick introductory task on slide 5 with the answers on slide 6 before you start properly on slide 7)
- Step 5 Varied Fluency Worksheet (matches powerpoint slides 7 to 14 so work through these first then complete the worksheet)
- Step 5 Application and Reasoning Worksheet (matches powerpoint slides 15 to 22 so work through these first then complete the worksheet)

Year 4 all the learning from the last block about speech are on the archived learning page so catch up with this if you have not finished it yet. Last week you should have started the next block of learning about noun phrases and completed Step 1. If you missed it, you can find it on the archived page too

- Step 1 Powerpoint – Identifying Noun Phrases (there's a quick introductory task on slide 5 with the answers on slide 6 before you start properly on slide 7)
- Step 1 Varied Fluency Worksheet (matches powerpoint slides 7 to 14 so work through these first then complete the worksheet)
- Step 1 Application and Reasoning Worksheet (matches powerpoint slides 15-21 so work through these first then complete the worksheet)

You're now ready for Step 2 'Modifying Adjectives and Nouns' and everything you need should be on the Class 2 Distance Learning This Week page of the website

- Step 2 Powerpoint – Modifying Adjectives and Nouns (there's a quick introductory task on slide 5 with the answers on slide 6 before you start properly on slide 7)
- Step 2 Varied Fluency Worksheet (matches powerpoint slides 7 to 14 so work through these first then complete the worksheet)
- Step 2 Application and Reasoning Worksheet (matches powerpoint slides 15-22 so work through these first then complete the worksheet)

The first part of each worksheet with red stars in the question boxes are easy ones to get you started, the second part with blue stars in the question boxes should make you think a little more carefully and the third section with the yellow stars in the question boxes is intended to be more of a challenge.

Remember to read the instructions carefully in each section as they can change and become trickier as you work towards the yellow star questions.

Just like with all the other worksheets, the answers are at the end but do your best to have a go by yourself or with some adult help before looking at them. Go back to the powerpoint and look again at the examples on there if you're stuck. Once you have finished, maybe you can find a purple pen to mark and correct your work just like we would do in the classroom. Remember, you don't have to complete everything in one go, break it up over a few days and just do a little bit at a time.

Stay safe, have fun and I hope to see you all again soon,

Mrs Kennedy x
