

# GCSE Spanish Past Paper Quizzes Revision Pack

Dear student of GCSE Spanish,

In this document you have the links and/or QR codes to practice all AQA's GCSE Spanish, Listening and Reading, Foundation and Higher past papers quizzes. 56 papers to support you with revision. These are also useful even if your school uses another exam board, as topics are similar or the same.

Working through past papers is an excellent way to revise and allows you to get used to the structure of a paper and the language used, work on time management, understand the allocation of marks and mark scheme, as well as assess your performance. All papers are fully self-marking/self-checking either through allocation of marks in multiple-choice questions, or through feedback in questions where you have to write/type.

## How do I access these quizzes?

Simply click the link or scan the QR code with your phone's camera. The quiz will open automatically.

## How often should I do it?

Little and often is more effective than doing lots in one go. Get into a habit of completing one quiz, or part of a quiz on a daily basis, particularly in the run up to your exams. Try doing it in the same place and at the same time of the day if possible. Your brain will naturally associate it with Spanish revision, and make it easier to stick to it. Your actual knowledge and memory retention will increase, and you will perform better in your exams.

## The audio file isn't working. What can I do?

The sound file is on an internet-based location. If the audio won't play once you click the link, wait for it to open in a new tab and then click the down arrow in the top right hand corner to download. You can now play it from your phone or computer.

## Can I do the quiz in more than one sitting?

Yes. Google forms will automatically save draft responses. You are able to complete a form quiz in multiple sittings, but you have to be signed in to a Google account. **Important: your email address will not be shared with anyone.**

**Happy revision and ¡Suerte!**
