Dear all

I hope you are all well and, like me, wondering when our summer weather will reappear?

It has been brought to my attention that there is a big day of sport on Sunday. We have Stage 15 of the Tour de France, the men's singles final at Wimbledon and the small issue of the men's European Championship final between Spain and England!

It is a rare opportunity to enjoy a men's final in a major football tournament and with kick off not until 8.00pm (and the possibility of extra time and penalties...please no!) we will not be closing our morning registers until 9:50am (the start of period 2 in Calder High).

I would rather families be able to 'relax' and enjoy the moment together without the worry of being tired and late for school. We cannot delay the school buses and so pupils must either be in school at normal time:

8:25am Calder High students

8:45am Calder Primary pupils

OR

9:45am ready for period 2 and close of morning registers at 9:50am

It is important that we stick to the above times only to avoid disruption to classes. Please do not bring or send children to school at other times as external gates and doors will have been locked.

I hope we all have a good weekend and COME ON ENGLAND!

With thanks

Anthony Guise
