

2

You **must** clearly state the name of the site you have studied at the start of each answer.

In your answers you must clearly state the specific time(s) in your site's history that you are writing about.

Answer **any two** questions.

- 1** Your site wants reconstruction drawings to show what your site looked like at a particular time in its past.
Explain what you would tell an artist to include in the drawings.
Use physical features of the site as well as your knowledge to support your answer. **[20]**

- 2** How far does your site tell us about important local or national changes?
Use physical features of the site as well as your knowledge to support your answer. **[20]**

- 3** How far have activities on your site differed over time?
Use physical features of the site as well as your knowledge to support your answer. **[20]**
