

## 'All About Me' Treasure Boxes

When our new Reception children start school in September we would like them to bring something special to share with us. We would like your child to spend some time during the summer holiday creating their very own Treasure Box. This will help us to get to know them and it will allow the children to share things that are special to them with their new friends.

### **What is a treasure box?**

- Start with a shoe box (or similar) and decorate it with wrapping paper, stickers or colouring. Don't forget to add your name!
- Find some special items to go into the box that tell us a little bit about you.  
These could include:  
Photographs or drawings of your family and friends  
Photographs or drawings of you taking part in a family activity  
A favourite toy (but not your most favourite so that we can keep the box in school for a couple of weeks)  
A wrapper/bag/label from your favourite food  
Your favourite nursery rhyme, song or story  
Anything else you would like to share

Please bring the treasure box to school on your first day. We will keep the boxes safe for the first few days, in line with COVID-19 measures if they are still in place, and then get them out to share with everyone.
