

Friday 10th January – Class 2

Maths

Year 3

Complete the following lessons

1 - Count forwards and backwards in multiples of 2, 20, 5, 50 and 25

<https://www.thenational.academy/pupils/programmes/maths-primary-year-3/units/representing-3-digit-numbers-comparing-and-positioning-on-number-lines/lessons/count-forwards-and-backwards-in-multiples-of-2-20-5-50-and-25/overview>

2 – Solve problems by counting forwards and backwards in multiples of 2, 20, 5, 50 and 25

<https://www.thenational.academy/pupils/programmes/maths-primary-year-3/units/representing-3-digit-numbers-comparing-and-positioning-on-number-lines/lessons/solve-problems-by-counting-forwards-and-backwards-in-multiples-of-2-20-5-50-and-25/overview>

Year 4

Complete the following lessons

1 - Explain the relationship between multiplying a number by 10 and multiples of 10

<https://www.thenational.academy/pupils/programmes/maths-primary-year-4/units/understand-what-happens-when-a-number-is-multiplied-or-divided-by-10-and-100/lessons/explain-the-relationship-between-multiplying-a-number-by-10-and-multiples-of-10/overview>

2 – Explain that multiplying a number by 10 makes a number 10 times the size

<https://www.thenational.academy/pupils/programmes/maths-primary-year-4/units/understand-what-happens-when-a-number-is-multiplied-or-divided-by-10-and-100/lessons/understand-that-multiplying-by-10-makes-a-number-ten-times-the-size/overview>

English

Read the following sentences. Improve and uplevel the sentences to create a better paragraph. Think carefully about descriptive vocabulary; the amount of detail there is and how it could be better; the use of adverbs and adjectives; the use of pronouns, prepositions and conjunctions.

You can do as many sets of sentences as you'd like.

1 - The cat laid on the mat in the sunshine. The cat was happy.

2 - James looked out the window. It was raining. He saw a rainbow. He smiled.

3 - The children played in the park. It was a nice day. The swings were fun. There was a big slide.

4 – The house creaked. It was dark. The wind was cold. Darkness was all around.

5 – The lady smiled. She sipped her tea. She had used her favourite mug. It was a good day.
