Head of Calder Primary School - Mrs K Lambert

Head of Calder High School - Mr A Taylor

Dear Parents/Carers,

On Friday 2nd February, along with other schools and educational settings across the country, we are taking part in Number Day to raise the profile of maths at Calder Primary School as well as raising funds for the NSPCC.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. It also gives children the opportunity to apply their mathematical skills, whilst raising funds and supporting this worthy charity at the same time.

The NSPCC needs our support more than ever. By fundraising, we can help to fund their services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. Did you know that, on average, a child in the UK contacts Childline every 25 seconds?

We are planning a fun day full of exciting maths activities across Calder Primary. Each class will take part in a variety of fun mathematical activities; quizzes, puzzles, class activities and games.

As part of Number Day, we will also be taking part in 'Dress up for Digits' where children are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie). Children can be as creative as they wish by dressing in a maths or numbers theme. There are some pictures below for inspiration! We are asking for a suggested donation of £1 towards the NSPCC for this. We are all very much looking forward to a fun day full of wonderful maths activities!

To find out more about the NSPCC and Number Day, please visit the NSPCC website at:

<https://www.nspcc.org.uk/support-us/charity-fundraising/schools-fundraising-ideas/number-day/>

Yours Sincerely,

Miss Appleyard

Calder Primary Maths Subject Lead
