Parents' Evenings

Dear Parents/Carers,

This term our Parents' Evenings will continue to follow a hybrid model. We welcome face to face appointments as they give the opportunity for you to come into school and meet your child's class teacher, but we recognise that this is not always possible and that the option of online appointments can help ensure that more people are therefore able to attend.

Appointments will be available on Tuesday 16th April and Wednesday 17th April

Tuesday 16th April 3.30pm-5.50pm - In-person appointments in school

Wednesday 17th April 3.30pm – 5.50pm - Online appointments

Our Parents' Evening booking system can now book for a hybrid evening, so please book for either an in-person or online appointment- in the time slots above- using this link: calder.schoolcloud.co.uk

Please contact Mrs Pickup if you have any problems booking your appointment.

Appointments are 10 minutes long, both in-person and online. Please arrive promptly and keep to time to help us ensure everyone has their appointment on time. Please note that online appointments will automatically end at the end of your appointment time, even if you arrive late, so it is a good idea to login ahead of time so that you are ready.

If your child has SEND, an updated SEND plan appropriate to their needs will be sent out ahead of Parents' Evening. If you would also like to meet Miss Gregory, our SENDCO, to discuss any aspects of this, she will be available on Tuesday 16th April from 3.30pm in the hall for drop-ins.

Yours Sincerely,

K.Lambert
