Dear Parents/Carers,

### Welcome to our school!

We are delighted that you have chosen Calder Primary School and that your child will be joining us in September. We are looking forward to getting to know them over the coming months and helping them get ready for starting school.

One way we support your child's transition into Reception is by liaising with their key worker at their current nursery or early years setting. Their knowledge of your child's learning journey so far is incredibly helpful for us to support them in making a great start and to plan their activities and themes. Please could you email us at [primary@calderlearningtrust.com](mailto:primary@calderlearningtrust.com) with where they currently attend. If they don't attend anywhere that's not a problem, please just let us know.

Your child will have a Year 5/6 buddy who will help them at school and give them an extra hand during playtimes for the first few weeks. They will be in touch soon as well to introduce themselves so that they can get to know each other a little more before September.

Mrs Pickup, our administrator, will be sending out some key information such as more details about school meals, uniform and equipment. We are currently in the process of moving to a new computer information system and so will not be asking you to complete registration forms just yet, as we hope to use this new online system which should make things much simpler and easier for parents.

We have some more information for new starters and parents [on our website](#) including a tour of the building, a welcome booklet with some photos and some activities for the children. We also have a Calder Learning Trust Facebook Page where we share what we've been getting up to and useful news and links.

We look forward to meeting you and will be back in touch soon! If there is anything at all that we can help with in the meantime then please do telephone or email us.

Yours Sincerely,

*K. Lambert*
