

W/C 18.05.2020: Learning Project - Famous & Significant People

Age Range: KS1

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Ted Hughes is a famous poet and author from Mythomroyd. Your child can listen to the first chapter of his book The Iron Man online. What did your child like about the beginning of the story? What did they dislike about it?</p>	<p>Monday- Choose letters that make words that can be read phonetically. Write the letters in chalk on the ground outside. Give your child a word and they must spell it by jumping from letter to letter. This could also be done on paper inside the house.</p>
<p>Tuesday- Ask your child to find out about one significant person here. Can they read any tricky words? Why is this person important?</p>	<p>Tuesday- Your child could visit this interactive game and play Sentence Substitution.</p>
<p>Wednesday- Ask your child to re-read their favourite story out loud. Remind them to use expression. Task your child with creating a new book cover for their favourite story or writing an alternative ending!</p>	<p>Wednesday- Mary Seacole and Florence Nightingale are remembered for helping the sick during the Crimean War. How many adjectives can your child list to describe medical professionals? Can they apply these into sentences?</p>
<p>Thursday- Who was Queen Elizabeth I? Watch this short video and then your child can record what they've learned about this royal. They may also wish to use books or the internet to help.</p>	<p>Thursday- 'Kind', 'past', 'improve', 'many' and 'people' are some of the words that children in KS1 need to be able to spell. Can your child use these to write sentences about Mary Seacole or Florence Nightingale?</p>
<p>Friday- Set up an interview where your child can be the interviewer and you can be the famous person (choose from here). Ask them to write down and read back to you some of the things you have said.</p>	<p>Friday- There are live phonics lessons on Youtube daily. Watch some Set 3 Read Write Inc. Alternatively play on Phonics Play.</p>
Weekly Writing Tasks	Weekly Maths Tasks- Adding
<p>Monday- Once your child has listened to The Iron Man ask them to create a list of questions that they'd like to ask about The Iron Man.</p>	<p>Monday- Encourage your child to write all of the number facts (number bonds) up to 20 e.g. $3 + 17 = 20$, $17 + 3 = 20$. Can they use these to write the inverse e.g. $20 - 3 = 17$.</p>
<p>Tuesday- Ask your child to write their very own adventure story. They could take inspiration from The Iron Man or come up with their own ideas.</p>	<p>Tuesday- Give your child a number between 1 and 20 and ask them to think about how many ways they could make the number using addition.</p>
<p>Wednesday- When your child has completed their adventure story, they can design a cartoon strip to accompany their writing or a front cover for their story.</p>	<p>Wednesday- Practise totalling amounts on this game then post the letter in the correct post box to show your answer.</p>
<p>Thursday- Can your child write a letter, postcard or email to their teacher? They may want to describe what they have been doing at home. They might want to tell</p>	<p>Thursday- Get your child to write one of the number bonds to or within 10 - e.g. $2 + 8 = 10$ or $3 + 4 = 7$. Can they use these facts to find out the addition facts up to</p>

their teacher about the things that they are missing about school.	100? E.g. $20 + 80 = 100$ and $30 + 40 = 70$.
Friday- Visit the Literacy Shed for this wonderful resource on The Clocktower . Or they could write a description of Buckingham Palace using this image or a virtual tour .	Friday- Your child could play on BBC Bitesize - Karate Cats Maths

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **How Important is Mary Seacole?**- Mary Seacole was a Jamaican-born nurse who is remembered for helping soldiers during the Crimean War. Using [this video](#) your child can create a simple timeline of Mary Seacole's life. If this is too challenging, why not ask your child to design an award for Mary Seacole. Your child could also locate Jamaica and Scotland on a world map.
- **Keep them Clean!**- Mary Seacole visited Florence Nightingale, another important nurse, during the Crimean War. Florence Nightingale was known for highlighting the importance of hygiene when caring for the sick, particularly handwashing. Ask your child to create handwashing posters for the home. They might want to make up a jingle too!
- **Intriguing Inventions-** Challenge your child to invent something new. Perhaps a new gadget for the home to keep the family entertained, or something that would help a doctor or a nurse. They can draw and label their design, and could have a go at making it using things from the recycling box. Share this online using [@CalderPrimary](#) [#CalderLearningProjects](#).
- **The Queen: Then and Now-** What was life like for Queen Elizabeth I? [This video](#) may help your child to understand. How is life different for the current queen, Queen Elizabeth II? Ask your child to create a list of the similarities and differences. They might focus on appearance, family and interests. They could show this using illustrations too.
- **A Seriously Significant Somebody-** Who is important to your child? What makes them so important? Your child could draw or paint a portrait of their significant somebody using a photograph or digital image to support them. They may wish to write an information report about this person too!

STEM Learning Opportunities [#sciencefromhome](#)

Beulah Henry 1912 – 1970

- Beulah was a famous American inventor who invented over 100 new products. She made several umbrella inventions from clip on covers to special umbrella bags.
- If you were going to design an umbrella what would it look like and what materials would you use?
- Try making a model umbrella using junk box materials you might find at home.

Additional learning resources parents may wish to engage with

- [Prodigy](#) has a range of Maths games.
- [BBC Bitesize](#) have daily lessons on a range of topics.
- [Classroom Secrets](#) have a range of worksheets that support BBC Bitesize sessions.
- [White Rose Maths](#) videos can be watched online and supporting worksheets are on our distance learning page.
- [Read Write Inc.](#) daily phonics lessons.

- [Cosmic Kids Yoga](#) - Yoga, Mindfulness and Relaxation for kids.
- [PE](#) with Joe Wicks.
- [Oxford Owl](#) have a range of resources to be used at home.
- IXL- Click here for [Year 1](#) or here for [Year 2](#). There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#) Learning packs with different activities and lessons. Includes notes on how to do these activities with your children.
- [Y1 Talk for Writing Home-school Booklets](#) and [Y2](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
