

## Calder Primary School 2018-2019 Phonics Screening Check Data

We are very proud of all our pupils who have worked incredibly hard and achieved some amazing progress and results this year.

Year 1 children complete a Phonics Screening Check to assess their recognition of graphemes and blending skills for reading. There are 40 words for each pupil to read, some are real words and some are made up 'alien' words. In 2019, the pass threshold was 32 so any pupil who read 32 or more words correctly is judged as 'Working At the Expected Level'. This table shows the percentage of our Year 1 pupils that have achieved a score of at least 32 in the 2019 Phonics Screening Check and how this compares to the percentage of pupils achieving this both across Calderdale and Nationally.

	<b>Calder Primary School</b>	<b>Calderdale Local Authority</b>	<b>National</b>
Percentage of pupils working at the expected level in Phonics	100%	82.6%	81.9%
